To: Nickelodeon/Viacom Inc.

We, The Undersigned, believe that creating a 24 hours a day, 7 days a week, all '90s Nickelodeon TV channel is the best way to fully represent the historic but still highly popular '90s Nickelodeon era. When you factor in the already huge fan support for '90s Nickelodeon, and then you add in the younger audiences that will see and fall in love with these shows for the first time, the potential viewership and the revenue generated by advertising we believe will be hugely successful and profitable for Nickelodeon. We appreciate your consideration in this matter.

Thank you,
The Undersigned
